**NEMSHRA Mission:** We provide opportunities for exchange of information among our members and promote the educational development of Human Resource professionals, aiding in their effectiveness in all phases of Human Resource Management and Administration.

As an affiliate of the Society for Human Resource Management (SHRM®), we support Human Resource Professionals in Northeast Mississippi in their role as strategic business partners. We strive for our monthly chapter meetings to provide continuing education in the ever-changing field of Human Resources and encourage chapter involvement in the communities around us.

Whether you are new to the HR field or have many years of HR experience, we are a local starting point for networking, information, professional development and continued support of excellence in Human Resources.

NEMSHRA #196 is recognized by SHRM to offer Professional Development Credits (PDCs) for the SHRM-CP or SHRM-SCP. It also submits approval to the Human Resource Certification Institute (HRCI®) for continuing education credits for HRCI's PHR and SPHR. We encourage certification for HR Professionals.

Our chapter is a 100% SHRM chapter, which indicates that all of our members are members of the national SHRM organization. We do encourage local professionals who are not a SHRM member to periodically attend our monthly meetings as guests, and hope that you will be encouraged to become a member of SHRM. If you are a new HR professional to our area, we invite you to attend and move your SHRM affiliation to our local chapter by enrolling with your SHRM id to begin getting our member communications.
